

Pomo District Camporee 2020

August 22, 2020

9:00 am – 8:30 pm

\$15 registration which includes patch and admission to events.

\$5 more will get you a STAFF patch!

FLAGS  **COMPETITIONS**  **CAMPFIRE**  **OA CALL OUT**

Pomo District invites all Scouts BSA scouts to join us for a day of fun and competitions. Every year in April we have our normal camporee out at Lake Sonoma but unfortunately this year we have not been able to hold that event so we have planned something even better! Join us on August 22nd on Minecraft Java edition to see how you and your patrol can build a campsite, have fun with various mini-games, an online campfire with awards, and patrol presentations. Flags and competitions will be hosted from 9:00 am – 3:30 pm. We will take a break for dinner and will return at 7:00 pm for our traditional campfire!

We will be using a designated server for our camporee so only those who have registered and provided your user information will be able to access the server. We will also be using Discord to easily communicate with the patrols. Discord will also be used for the evening awards and campfire program.

The server will have several camp staff online on the server to assist patrols with locating the games and competitions. There will be awards for patrols based on the competitions, scout spirit, and campsite building. Each patrol will have an assigned secure location on to build their campsite.

Patrols will be set up using three methods - Troop patrols, all scouts from one troop, or lastly, provisional patrols with scouts from different troops. Patrols will have 5-10 scouts assigned to them. When you register please be sure to note your patrol and troop information.

The virtual campfire will be held at 7:00 pm on Discord. All patrols and troops are encouraged to submit prerecorded campfire songs or skits to Mrs. Reese so that we can incorporate everyone into the campfire program. Awards will be awarded and there will be an OA Call out. If you have not had your OA elections yet, it is not too late! To schedule your elections, email wonkatonkchief@orca194.org and chief@orca194.org.
